

MARK YOUR CALENDARS

Carmichael Presbyterian Church

31st Annual

Give the World a Present

Saturday & Sunday November 6 & 7
10 a.m.-2 p.m.

Think about coming to the Alternative Gift Market instead of shopping at Nordstrom, Macy's or Amazon. The committee has invited 3 new vendors plus our 3 vendors from past markets to bring all new exciting gifts. They will feature hundreds of beautiful, handmade items from 20+ countries.

Think clothing, toys, jewelry, home décor, garden decorations, and stocking stuffers.

This is also a perfect opportunity to give to 12 local and international nonprofit agencies that assist communities and families with the gift of medicine, food, water, peace and hope locally and around the world.

Gift cards, informational material and small stocking stuffers will be available for you to send. Alternative Gifting is an easy, thoughtful way to honor your friends and family.

If you can't shop in person you may give online at www.carmichaelpres.org

The committee NEEDS HELP on both days of the sale to greet shoppers, staff tables, collect payments, and serve refreshments. Please think about volunteering for a few hours. Call **Brenda Mock** (916-487-3806) or **Barbara Farley** (916-485-4309) if you can help.
