DURING LENT, WE CELEBRATE

Peter Michael Egwudah, program coordinator for the Civil Society Coalition for Poverty Eradication (CISCOPE) in Nigeria, says, "Nigeria is one of the wealthiest, oil-producing countries in the world with an abundance of natural resources but the money doesn't go where it needs to go, to the people.

The people need food and seeds but we also need to get communities to a place where they can become agents of their own self development. We can train them in new agricultural techniques and help amplify the voice of women to ensure they get a good return when they bring their produce to market."

One Great Hour of Sharing partners with CISCOPE to work toward the Matthew 25 goal of eradicating systemic poverty.
